

The book was found

Cannon County, TN, Chancery Court Records, 1840-1880

Synopsis

Chancery court records are extremely important to researchers due to the many early settlers who died without leaving a will. These records provide many detailed breakthroughs in family research not found elsewhere. This book is a valuable research and reference tool that often supplies that missing link of the family, frequently naming fathers, mothers, children, grandchildren, brother, sisters, aunts and uncles.
