The Costs Of Accidents: A Legal And Economic Analysis

Synopsis

Accident law is currently under review throughout the United States, and indeed the world, as present systems prove increasingly inadequate to handle the mounting costs of automobile accidents. This book will give you insight in to the world of Accident Law.

Customer Reviews

This book is essential for my job like a professor in the Externado University of Colombia, and is very useful for my job like a Judge of the "Consejo de Estado. The economic analysis of the law and your application in the tort, or responsibility law, it is a vision we need the judicial operators to the continental system of law.

just perfect!

Perfect!
